

## Directions to EIC Laboratories

### From Boston:

*Notice: Downtown Boston and Logan Airport are currently under extensive renovations. Please read airport and highway signs very carefully.*

From Logan International Airport, take the Ted Williams Tunnel to the Mass Turnpike (I-90) West. Continue on I-90 (a toll road) for approximately 8 miles, exiting onto Route I-95/128 South. Proceed approximately 5 miles to Exit 15B (Norwood), onto Route 1 South. Follow Route 1 South to the first set of traffic lights. Turn left onto University Avenue (arrow signal for left turn). Take the first left onto Everett Street in front of the UPS building, then the first left again onto Downey Street. Proceed to the end of the street into the EIC Laboratories parking lot. Visitors parking is at the front of the building; the reception area is through the doors on the left.

### From Providence:

From T.F. Green Airport, take the I-95N towards Providence/Boston. Continue past the Massachusetts state line and the I-495. Take exit 11B (Neponset Street) towards Norwood. Proceed about 1 mile onto the rotary, taking the first rotary exit onto Route 1 N. At the first set of lights, turn right onto University Avenue. Take the first left onto Everett Street in front of the UPS building, then the first left again onto Downey Street. Proceed to the end of the street into the EIC Laboratories parking lot. Visitors' parking is at the front of the building; the reception area is through the doors on the left.
